To The Secretary to the Government of Madras,
 Home Department.

Sir,

I submit the case of warder No.8, Suryanarayana of the Central Jail, Bellary for counting his combatant active military service of 10 months and 20 days from 22-12-1917 to 11-11-1918 towards increment in Civil Employment. This period of military service has been certified by the Officer-in-Charge of Records, Q.V.O. Madras Sappers and Miners, Bangalore to be "Active Combatant Service in a Combatant Unit". The inclusion of this service towards increment will entitle the warder to some back pay.

The arrears claim is more than five years old, and I request that Government may be pleased to authorise the

Station Mount Road, Madras. Dated the 17th May 1938

From (Name) Lieut-Col. S. C. Contractor, M.B., I.M.S.,

(Designation) Inspector General of Prisons.

To The Secretary to the Government of Madras,

Home Department.

Sir,

I furnish below the information called for in the Memorandum cited above:-

(1). Euryanarayana was appointed as a warden on 15th December 1923.

(2). The period of the warden's military service was certified as Combatant Service in December 1937 in letter No. 0314/10013/R4, dated 11-12-1937 from the Officer-in-Charge, Records, Q.V.C. Madras Sappers and Miners, Bangalore.

(not recd).

As the arrears claimed are due to the inclusion of the combatant service in civil service for purpose of increment and not due to any wrong fixation of pay, etc., and subsequent detection of underpayment, he deserves the larger concession under the purview of G.O. No. 100, Finance, dated 21-3-1938.

The I.G. has not stated when the
warder entered the jail dept and
why he did not claim his military
service to count for increment in his
post until now. Refex is solicited
to para 1 of G.O. 1057a d. 21-3-38 under
which claims for arrear payments
are not admitted for periods exceeding

dated 17-5-1938

The I.G. reports that the ~~man~~ ex-military man was entertained as warder in 1923 and that his military service was certified by the military authorities only in December 1937. It is not stated why there has been ~~so~~ a delay of over 14 years in claiming the military service.

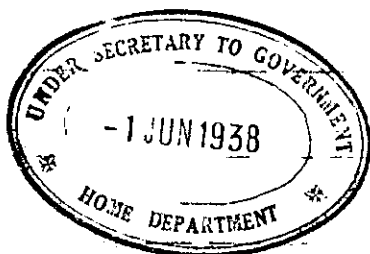

It would presumably have been certified before if the matter had been raised.

The I.G. recommends that the man may be allowed the ~~arrears~~ arrears. In view of the ~~no absence of adequate explanation for the delay~~ the recommendation will be accepted. If so, the draft below is for approval. It may be sent to Finance for acceptance.

Finance (CSR)

The request of the D. G. of Prisons in the C.F. is that Govt. may be pleased to authorise the A.G. to investigate the claim of a warder, Suryanarayana, for arrears of increments ~~consequent upon~~^{provided} his period of active combatant service in a combatant unit for 10 months and 20 days ~~hasing been~~^{is now} allowed to count for increments ~~in civil post.~~

The warder is said to have been appointed on 18.12.23.

2. With reference to the orders in G.O. 948 Law (P.) of 22.3.26, the warder can count the above service for increments in the warder's scale of pay. The D.G. of

Prisons has not explained why ^{there has been a} ~~the concession~~ delay of about 14 years in claiming the military service. ~~was not allowed so far as he has not also~~

According to para 2 of G.O. 96 Fin. & 16.3.38, (R)
all petty arrear claims, other than those affecting an officer's pension, and all claims for the delayed submission of which no adequate explanation is given should be rejected forthwith. It is presumably with reference to these orders that the Home Dept. doubt whether the matter should be taken up now.

Home U.S.'s remarks on Paps 2-3 ante

Subd. that, as observed by the Home Dept., an addition of 10 months and 20 days to the war service will not make much difference in his increments, as the increments are not either annual or biennial in his case.
